Dear Emma Best:

This correspondence is in reference to your Nevada Public Records Act Request NPR2020-0005204 dated June 19, 2020. You have requested emails, letters, and memos, to or from police/law enforcement unions, the National guard, or federal officials between May 1, 2020 and June 18, 2020. Additionally, you have requested emails containing any of the following key words: "protest", "protests", "Black Lives Matter", "BLM", "riot", "riots", "antifa", "antifascist", "anti-fascist", or "militia".

LVMPD conducted a search using the search terms you have provided: "protest", "protests", "Black Lives Matter", "BLM", "riot", "riots", "antifa", "antifascist", "anti-fascist", or "militia." We have also limited the search to May 1, 2020 – June 18, 2020. Despite the limitations, the search resulted in 447,498 emails. Each email would need to be reviewed for redactions and there is no way to easily eliminate the possible duplications. We estimate that it would take hundreds, if not thousands of hours to complete this task.

Given the burdensome nature of this request, to proceed any further LVMPD will need to charge for the labor required. NRS 239.052(1); NRS 239.005(1). If you wish to proceed, LVMPD will move forward with drafting a quote for the labor.

Sincerely,

Public Records Unit

Las Vegas Metropolitan Police Department
